www.c2concepts.co.uk

Location: 180 St Vincent Street, Glasgow

Project Size: 472sqm/5082sqft

Status: completed 2017

Other team members: Client: Northwood

Investors, Furniture: Your Bureau

Northwood Investors have recently refurbished 180 St Vincent Street and asked that we design a marketing suite that could be relocated as floors were let out. The brief was to provide a formal and informal seating area for future tenants and to also incorporate an office space for Northwood. The purpose designed rugs form the 2 settings and the furniture is mobile so that it can be easily relocated to another floor.
