Location: 225 Bath Street, Glasgow

Project Size: Common Part Areas

Procurement: Traditional

Status: Built (2007)

Team members: Designer: c2:, Agent: Jones Lang LaSalle

c2: were commissioned by the managing agent to redesign the building's reception and associated communal areas. The brief was to create a minimalistic look and the design to satisfy both Landlord and Tenant requirements. Using a combination of technical stone, armourcoat wall treatments and a strong lighting concept, the design incorporated relocation of the reception and waiting areas to provide additional and much needed meeting room space.
