Status: Built (2012)

Team members: Designer: c2:, PM, QS: Hindson Project

Management, M&E: DSSR, Contractor: Bulb Interiors

Chapman Freeborn, an air charter service relocated their headquarters to a new facility at Gatwick airport. c2: developed the occupation brief and concept designs to provide a modern office environment with an aeronautical design feel, within a restricted budget. The project was delivered on time and budget providing the client with much needed room for expansion.
